DESCRIPTION

515 SR occupational shoe merges classic New Balance styling and comfort with the functionality of an occupational work shoe; whether it be for healthcare or hospitality. 515 presents as a great casual work shoe with the benefits of a lightweight EVA midsole supported by a breathable and water-resistant oxford upper. Reinforced with suede leather at all high abrasion points and featuring padded collar and lining, these attributes come together to create a shoe that is expertly crafted for comfortable support in all occupational environments. A TPU heel clip completes construction to deliver a practical and functional shoe for the workplace while not compromising on style.
