ACTEVA

→ A highly versatile performance foam, Acteva is formulated to deliver support without compromising weight or flexibility.

Toe Protect

→ Reinforced toe tip designed to help protect the toes.

→ The BOA® Fit System delivers micro-adjustable precision fit, engineered to perform in the toughest conditions.

Debris Free CONSTRUCTION

→ Advanced upper construction designed to keep debris from entering the shoe.

HEAT RESISTANCE

→ The outsole is heat resistant to very high temperatures (up to at least 300°C for 60 seconds).
