

New Balance Evolve AT EH

New Balance Evolve AT EH has been created to deliver all-day comfort to those who work long days on their feet. With EH (electrical hazard) protection, light-weight alloy toe and slip resistant outsole, this shoe offers protection whilst giving you the confidence to get the job done. The New Balance ACTEVA performance midsole technology also provides the ideal mix of support, cushioning and flexibility. Evolve AT EH is a modern and light go-to option for those wanting long-lasting durability in their work shoes, while not compromising on comfort and style. COMFORT WHILE YOU WORK.

ELECTRICAL HAZARD (EH)

With added electrical hazard protection, these non-conductive shoes have been designed with an additional form of protection from hazardous steps.

Toe Protect

Reinforced toe tip designed to help protect the toes.

ACTEVA

A highly versatile performance foam, Acteva is formulated to deliver support without compromising weight or flexibility.

Slip Resistant

The outsole is designed with a unique tread pattern that can better grip wet, slick or oily floors.

HEAT RESISTANCE

The outsole is heat resistant to very high temperatures (up to at least 300°C for 60 seconds).
