New Balance Quikshift Womens EH

New Balance Quikshift Womens EH is perfect for women looking for protection and comfort from the job site to the street. The EVA insert and REVlite midsole deliver incredibly lightweight cushioning without minimizing construction or sacrificing underfoot padding or stability. The composite toe cap, slip resistant outsole and EH (electrical hazard) protection ensures you make light work of any job.
COMFORT WHILE YOU WORK.

ELECTRICAL HAZARD (EH)

With added electrical hazard protection, these non-conductive shoes have been designed with an additional form of protection from hazardous steps.

Toe Protect

Reinforced toe tip designed to help protect the toes.

REVLITE

Significantly lighter than our standard performance foam. REVlite delivers a lightweight experience without minimizing construction or sacrificing underfoot cushioning or stability.

Slip Resistant

The outsole is designed with a unique tread pattern that can better grip wet, slick or oily floors.

Debris Free CONSTRUCTION

Advanced upper construction designed to keep debris from entering the shoe.
